

We are the largest and most influential association of commissioned and warrant officers from all uniformed services.

Why Join?

Camaraderie with a Purpose

If you are missing the camaraderie and core values of military service and want to develop close and lasting friendships with other members with similar backgrounds and interests please join us.

Networking with Fellow Officers

Our second career members in the workforce and retired members who have contacts in the business community are invaluable to transitioning members.

Make Yourself Heard

MOAA's chapters provide critical grassroots support for MOAA's national legislative agenda. Our benefits are under attack and MOAA is in the fight to preserve them.

Giving Back to the Community

We are ambassadors in our community, supporting countless programs that make a difference in the lives of others. These members continue the "officership" service and are giving back in the truest sense.

Staying Informed

Our newsletters, website, meetings and events all provide the latest information on local, state and national issues and changes to military benefits.
